Resolution 3

**ANNUAL QUOTAS OF THE MEMBER STATES OF THE
PAN AMERICAN INSTITUTE OF GEOGRAPHY AND HISTORY FOR THE YEAR 2026**

The 26th General Assembly of the Pan American Institute of Geography and History (PAIGH), held in the city of Tegucigalpa, Honduras.

Considering:

- The fact that the economic basis that sustains the PAIGH is made up from the annual quotas that the Member States provide, approved by the General Assembly;
- The fact that Article 55 of the Organic Statute of the PAIGH establishes that the quotas are calculated considering the following policies: “the minimum membership quota of any Member State of the general budget is 0.5%; and the maximum membership quota of any Member State may not exceed 49.99% of the general budget”;
- The fact that the adjustment to the scale of quotas took effect from 2020, approved at the 48th Meeting of the Directing Council (Santa Cruz de la Sierra, Bolivia, October 22nd - 26th 2018);
- The fact that the world has been emerging from a pandemic that affected the economy of all the nations of the Earth, including the American Continent;
- The fact that all the Member States make a continual effort to fulfil their financial obligations to the PAIGH;
- The recommendations of the 103rd and 104th Meetings of PAIGH Authorities and of the Financial Policy Committee.
